

# BROOME COUNTY FIRE CHAPLAINS' ASSOCIATION

To Chiefs, Assistant Chiefs and Chaplains,

On September 16, 2010, the Broome County Chaplains' meeting will have as our guest, Susan Mulvey, a New York State Police Investigator who will let us know her role as an investigator on fire and accident scenes.

Families sometimes question the involvement of an investigator when they are on a scene. Susan Mulvey will answer questions as to how we can be helpful to those going through a difficult situation.

It is our desire to have a good attendance at this meeting to show our support for Investigator Mulvey and also to help us further our knowledge in being effective chiefs and chaplains.

The meeting will be held at West Corners Fire Company, 500 Day Hollow Road, Endicott at 7 pm.

Bob Abbey  
Vice President  
Broome County Chaplains' Association
