BROOME COUNTY, NEW YORK

MEMORIAL SERVICE RELOCATED

Due to some emergency repairs at the West Endicott Fire Station we have had to relocate the annual Memorial Service to the Port Crane fire station, 844 Route 369 Port Crane, NY.

The service will still be held on Friday, November 5, 2010, at 7:30 pm, now at the Port Crane fire station. Refreshments will be served at the fire station starting at 7 pm. Our November meeting will be held immediately following the Memorial Service. The Port Crane fire station is handicapped accessible, so we hope this will make it easier for your family and friends to attend the service.

We apologize for again changing the Memorial Service, but had no choice due to the damage and repairs at the West Endicott Fire Station.

If you have any questions, or need information please contact us at broomecofire@stny.rr.com

Directions: From Binghamton take Route I-88 east to exit 3 for Route 369. Turn left at the traffic light onto Route 369 and go about 3 miles to the fire station. The fire station is just prior to the entrance to Chenango Valley State Park.
